ALLEN LYMAN

Our aim is simple, to provide the best service for all our customers. Based in Northampton we have been supplying a professional service since 1976. We pride ourselves on being able to source and supply anything, to provide solutions to our client's requirements.

We specialise in providing cost-effective, business and residential home furniture, to all our customers. Whether you want new desking and storage for your staff, an impressive leather sofa for your reception, new seating for your communal areas, or new bedroom furniture for your residents. Our detailed understanding of all types of furniture, storage and seating solutions means we offer a comprehensive package of products and services to suit your needs and help with the design and layout to plan an efficient working and living environment.

With our dedicated supplier network we can supply competitive tenders or quotations and would like the opportunity to work with you.

Together we can make the right decisions for your business

Bedroom furniture

Manufactured at our own site, our sturdy 'Medal' bedroom furniture range is designed specifically to meet the needs of your market - built and tested to FIRA and British Standards BS4875 for strength and stability and guaranteed for five years. Stylish, simple and practical, with an emphasis on both quality and hygiene, all items are available in a choice of eight finishes with a smooth, plain door style (Silver Medal range) or a panel-detail door (Gold Medal range) which comes in our Beech finish. We can also produce to your own designs and specifications.

Code: FUSMBC01 (Silver Medal)
Medal bedside cabinet

Cabinet comes with a lockable top drawer.

Code: FUSM3DT (Silver Medal)
Medal three drawer chest

Code: FUSMDT (Silver Medal)
Medal dressing table

Most of our bedroom furniture can be manufactured to various specifications to suit your requirements.

Code: FUSMDW (Silver Medal)
Medal access double wardrobe

Designed for the wheelchair user, the clothes rail can be lowered and returns automatically. Shutter style doors retract for easy access.

Code: FUSMDW (Silver Medal)
Medal double wardrobe

"We recognise that you only get one chance to make a first impression and so have designed a functional, solid and attractive furniture range."

Code: RUMRBP (S/G) (Gold Medal shown above)
Medal bedroom packages

At Hawk Care, we've put together a selection of packages for complete bedrooms. Feedback over the years tells us that these save precious time and money when fitting or re-fitting a care facility.

A package would typically include: bed, double wardrobe, bedside cabinet with lock, chest of drawers and dressing table with chair. Packages are available on a purchase or lease basis - please see 'Hawk Lease' at the back of this brochure.

Specialist beds

Whilst we have illustrated our most popular beds, there are many more specialist models, trolleys and specific paediatric products available. A full range of fire-retardant bedding and soft furnishings can also be supplied as well as community and resident-specific mattresses.

"All of our profiling beds are electrically operated to minimise the risk of injury to staff and to make their work more pleasurable: happy staff create a happy environment for your residents."

Code: HKNEBT01
Trend bed

Four section variable height; electrically operated; Trendelenburg & Reverse Trendelenburg adjustment features; patient lockout controls.

Code: KHNEBC01
Costa bed
(suitable for domestic or care home use)

Two section electrically operated basic nursing bed.

Code: HKNEBD01
PVC coated bed
(fixed leg divan set)

A robust bed at a budget cost. This bed is on fixed hardwood legs, lending itself to the use of hoists; it is waterproof and meets current fire regulations as well.

Code: HKNEBD02
Nautilus bed
(waterproof/breathable)

Manufactured in a variety of base or mattress options, this bed uses a revolutionary fabric and is popular in many contract situations from nursing care homes and student accommodation to the MOD.

Code: HKNEBS01
Seclusion beds & mattresses
(high risk)

All high risk products meet current flammability legislation and all exposed edges and threads are super-glued. Manufactured to your individual size requirements, it must be noted that seclusion products can be extremely heavy and will require extra care when moving.

Pressure care

Individual resident's needs are paramount when selecting pressure care products. The correct choice of mattress system can offer relief to those susceptible to ulcers. Our mattress range is clearly graded as low, medium or high risk and also includes static and active (air mattress) forms plus a true low air loss system.

"Let us know your resident's Waterlow score so we can ensure you specify the right product to suit their needs."

Code: HKNEMC
Foam community mattress

supplied with a two-way stretch vapour permeable waterproof cover (18st/114kg).

Code: HKNEMFO
Foam overlay mattress
(low risk)

Supplied with a two-way stretch vapour permeable waterproof cover (15st/108kg).

Code: HKNEMR
Replacement mattress
(medium risk)

The modular foam allows profiling, reducing the effects of shear and friction and consequent pressure ulcers (18st/114kg).

Code: HKNEMM
Alova memory mattress
(overlay or replacement)

Supplied with a waterproof cover which is machine washable at 90 degrees and dryer safe (18st/114kg overlay 25st/159kg replacement).

Code: HKNEMBM
Bubble mattress
(low risk overlay)
(12st/76kg).

Code: HKNEMO
Opal mattress
(medium risk overlay)
(16st/110kg).

Code: HKNEMS
Supreme mattress
(high risk overlay)
(24st/152kg).

Code: HKNEMC
Cavalier mattress
(high - very high risk replacement)
(30st/189kg).

Code: HKNEMW
True low air loss wondermat mattress system
(25st/160kg).

Lounge and dining room furniture

We can supply a full range of upholstered furniture that is manufactured in the UK to British production and fire retardancy standards. As with our cabinet furniture, our upholstered products are contract quality. We can upholster with waterproof fabrics if required (and fabrics with anti-bacterial properties are available). Frames are manufactured from ash, birch or beech from sustainable forests and can be stained to various colours. A full range of client-specific specialist chairs is also available.

"We acknowledge the fact that care is not always age-related, and so offer a myriad of furnishing solutions, from your classic and supportive Queen Anne type seating to more modern tub chairs and domestic character furniture".

Specialist chairs

We can offer a full range of reclining and specialist chairs – please contact us for more information.

Tub chairs

Our range of tub chairs is versatile where space is at a premium, whether in the lounge, reception or bedroom.

Dining chairs and tables

Chairs can be supplied with or without arms, and skids can be fitted for safety. All dining room furniture meets with our high standard in terms of quality and suitability for purpose.

Office furniture

From reception desks and nurses' stations through to training room furniture and storage solutions, each of our products is guaranteed for 5 years and meets all FIRA and British Standards regulations. Desktops are available in both 18mm and 25mm and a choice of legs ensures both design and practicality are paramount, with all furniture being supplied in your choice of finish – see page 7 for our range of finishes.

Reception desks and nurses stations

Our versatile reception/nurses' stations have been designed with style as well as function in mind. From stand alone units to complete modular solutions, we can supply concepts to house telephone and computer systems as well as flexible storage to ensure that your needs are met. We can even take care of the planning for you, creating a bespoke layout to suit your needs.

Storage

Practical and flexible, our storage solutions are designed to help keep you organised. All of our storage items are FIRA tested and are heat, stain and scratch resistant to give you years of service. Built to last, our range includes a wide variety of solutions from lockable filing cabinets, to open-fronted bookcases to ensure that you can keep everything in its place.

"We understand that as well as your residents, staff should be equipped with furniture of the highest standard and solutions that are practical, long lasting and designed with their duties in mind".

Office desks and chairs

Our office desks and chairs are designed to work around you and the space you have available. We have a choice of 16 different desktop shapes, and a selection of legs ensures that not only is your furniture practical and robust, but stylish to boot. Chairs can be supplied in a range of different fabric options, and the styles that we offer have been chosen for both comfort and purpose.

Meeting and training rooms

Whether you need to furnish a meeting room or training room, our innovative range of office furniture fits the bill perfectly. Tables are available in a range of styles, sizes and configurations, and a choice of chair styles can be supplied. For a more temporary solution, our flip-top and foldaway tables and chairs will ensure that you can store furniture away when not in use.
